Dear Sally,

Thank you and Shirley Kenworthy-Wright for your recent letter regarding the inadequacy of the school funding budgets and I do sympathise with the points you make.

As requested, I have written to the Chancellor, the Rt Hon Philip Hammond MP, to emphasise that this situation is unsustainable and will have a terrible impact upon our children's education, as well as lowering further the morale of teaching staff.

I have received a large number of similar letters from schools in my constituency and I will, of course, do everything I can to bring pressure to bear on the Government to review their budget allocation.

Thanks again for making me aware of your concerns and I will be in touch immediately I receive a response from the Treasury.

With best wishes,

Yours sincerely,
