

NES NEEDS YOU!

Welcome to North Ealing Primary School Volunteer Programme. We are looking forward to having your support. **Becoming a Volunteer Helper is a great way of seeing how the school works and sharing in the children's experience.**

We know you have busy lives. We're not asking for a huge commitment. **Anytime you can give us would be a great help.** And you don't need to have any special talents (although if you do we'd love to hear about them!). Volunteer Helpers make a real difference to the school in a wide variety of ways - reading with children, putting up displays of work, helping out on school trips... the list is endless.

"Being a parent helper has been a fun way of getting to know a bit more about the school as a whole and of finding out more about my children's experience in the classroom. Both my children have really enjoyed me being in school (even if they haven't seen me!) and when they talk about something at school (eg teachers, areas of the school or dinner ladies) we all find it helpful that I have an informed idea of who and what they are talking about." Susie, mum to Stan (7) and Ted (5).

I'm happy to be DBS checked* I already have a North Ealing DBS

I have completed the North Ealing Induction for Volunteers

**This is easy to complete and paid for by the school - however, you might like to offer a contribution as it costs the school £12*

Please sign the form even if you have already handed in your details or previously acted as volunteer so that we can have a complete register.
