

*“North Ealing works inclusively with our families to maximise the learning potential of all children in our community”*

Welcome to North Ealing Primary School

North Ealing is a successful, inclusive and popular community school serving an area of Ealing known as Pitshanger Village. We work extensively with our families in order to maximise the learning potential of all children in our community. We aim to develop our children's confidence and have high expectations in terms of achievement, progress and behaviour. Sport, music, drama, modern languages and a large number of extra-curricular activities enrich the opportunities for learning.

Our children say, ‘Their school is a calm, friendly and enjoyable place to be’.

Please feel free to contact the school directly with any queries you may have.
