Breakfast/After School Club – A breakfast and afterschool club is provided by 'Children's House'. This is located in the school house next to the Pitshanger Lane entrance. You will need to complete a registration form available from the school office. There is a charge for this service.

School Gates

The Pitshanger gate and the Summerfield Road gate will be open for morning drop off and afternoon pick up. Between the hours of 9.15am – 3.00pm if you wish to access the school you can only use the Pitshanger gate. **Nursery parents should use the Summerfield Road gate at all times.**

Cars - *please walk to school if you possibly can.* There is no onsite parking. Please do not park on Pitshanger Lane (a busy road) or in Woodbury Park Road or Summerfield Road (cul-de-sacs). There are many side roads within easy walking distance of the school. Those extra few minutes may help to avoid a serious accident to one of our pupils and will allow you to arrive safely.

Access to the School Office - The internal Link door is closed at the busiest time of the day (8.50am – 9.05am). There is no general access between the playgrounds via the Link. The office should be accessed from the Pitshanger

Lane entrance. If you are dropping off children in different year groups then you will need to walk around the *outside* of the school building.

SECURITY - ALL VISITORS ARE REQUESTED TO VISIT THE SCHOOL OFFICE ON ARRIVAL IN ORDER TO SIGN IN.

Dropping off items during the school day - please encourage your child to be responsible for their own belongings. We ask that you ensure all your children's items are with them at the *beginning* of the school day. Items that arrive late cause disruptions to the learning time. **Regretfully the school office can only accept lunch boxes and swimming kits.**

Reporting absences - please phone/text or email us to let us know on each day of absence. *If your child walks to school alone, please inform us by 9.00 a.m. on the first day of absence.* Should you need to collect your child from school for any reason during school hours, please report to the school office so that your child may be signed out and the attendance register amended. Similarly, this procedure needs to be followed when returning your child to school during the course of the school day.

Medical/Dental Appointments - all non-urgent medical/dental appointments should be arranged outside of school time. Medical appointments will be recorded.

Special Leave - Parents should ONLY arrange their holidays during school breaks. We are no longer able to grant any in term leave apart from for exceptional and documented circumstances. **A special leave request form is available from the School Office and must be completed before any leave is taken.**
